"I appreciated the breakouts and having the ability to discuss the struggles others are having and brainstorm together."

~ Collaborative Workspace Participant

"The breakout session; enjoyed learning more about what others are doing; their successes and challenges. Also excited about the DEIRJ activities."

~ Network Meeting Participant

"I appreciated being able to network and collaborate with others in the meeting. I was able to make a new connection and we can hopefully assist each other with outreach."

~ Affinity Group Meeting Participant

"Small group but very warm. Good info. Welcoming to a newcomer!"

~ Affinity Group Participant

"The vulnerability and willingness of members to share how they are feeling and the work that they are doing in the community."

~ Affinity Group Meeting Participant

"Breakout sessions were active and honest. Thought provoking!"
